

# Safety information 2021 Nordics

## Transport

From hotel to venue , **please** come to your own weigh-in. There will be bus transport to all weigh-ins , one hour before start of each weigh-in.

Transport to hotel from venue will be after each competition and after last session there will be two busses . Detailed timetable will be shared at technical meeting.

## At venue

Everyone must use facemask (organiser will provide these to all). Athletes may be without mask during warm up and competition. Referees may also be without mask when they are on duty. Otherwise everyone is **obligated to use mask** at all times.

Organiser is cleaning all surfaces during competition. Hand sanitizing points are situated at several locations at site , also possibilities to wash hands.

To warm up area is only for athletes and coaches , **no other persons** are not allowed . Organiser has right to **remove excess people from there**.

Bar will be sanitized after every round on competition , if needed more often.  
All people who are entering venue are requested to use face mask.
